DOES THE EVERYDAY WORLD REALLY OBEY QUANTUM MECHANICS?

Professor Leggett will give a lecture for undergraduate and graduate students in Physics and Optics (no professors allowed). Following the lecture there will be informal discussion over a pizza lunch.

Anthony J. Leggett

John D. and Catherine T. MacArthur Chair
Center for Advanced Study
Professor of Physics
University of Illinois at Urbana-Champaign.

11:00 am, Friday, Sept 26
Goergen 101
Lunch: Munnerlyn Attrium

2003 Nobel Laureate in Physics
