

April 2009

Dear Registrant:

The Institute of Optics would like to welcome you to its Summer Course Series 2009, to be held on the University of Rochester's **River Campus**. For your information, please note that The Institute of Optics is housed within **The Goergen BME/Optics Building** (Goergen Hall).

**When you arrive on campus, please report to the Visitor Information booth on Wilson Boulevard. Tell the attendant you are on campus for The Institute of Optics Annual Summer Course Series. The attendant will provide you with a parking pass and directions.**

**Course registration will be held at the times and locations shown below.**

1. Fundamentals of Optics: Monday, June 15, 8:00 – 9:00 a.m., in Goergen 110
2. Modern Optical Engineering: Wednesday, June 17, 12:30 – 1:30 p.m., in Goergen 110
3. Opto-Mechanics: Wednesday, June 17, 12:30 – 1:30 p.m., in Goergen 110
4. Lasers and Optoelectronics: Monday, June 22, 8:00 – 9:00 a.m., in Goergen 110
5. Biomedical Optics: Wednesday, June 24, 12:30 – 1:30 p.m., in Goergen 110
6. Electron Microscopy, Wednesday, June 24, 12:30 – 1:30 p.m., in Goergen 110
7. Optical Thin Film Coating Technology: Monday, June 15, 7:30 – 8:30 a.m. in Goergen 110

If you have any questions regarding the status of your registration, please contact Gayle Thompson at (585) 275-0056 or [gayle@optics.rochester.edu](mailto:gayle@optics.rochester.edu).

### **Course Session Information:**

Morning classes begin at 9:00 a.m.

Afternoon classes begin at 1:30 p.m.

**Laboratory sessions for Fundamentals of Optics, Modern Optical Engineering and Lasers and Optoelectronics:**

**\*\* Sign-up for the laboratory sessions being held in the evening will be during the morning and afternoon breaks.**

**Optical Thin Film Coating Technology will be in Goergen Hall and classes begin at 8:30 a.m.**

There will be mid-morning and mid-afternoon refreshment breaks for all courses.

If you'd like wireless internet access for your laptop while attending the courses, send an email to that effect to Marie Banach ([mbanach@optics.rochester.edu](mailto:mbanach@optics.rochester.edu)) with the subject line "SS wireless access".

Sincerely,

Gayle Thompson  
Summer School Coordinator
