Dear Registrant:

The Institute of Optics would like to welcome you to its Summer Course Series 2013, to be held on the University of Rochester's River Campus. For your information, please note that The Institute of Optics is housed within The Goergen BME/Optics Building (Goergen Hall).

When you arrive on campus, please report to the parking booth on Wilson Boulevard. Tell the attendant you are on campus for The Institute of Optics Annual Summer Course Series. The attendant will provide you with a parking pass and directions. The daily parking pass will cost $5.00 and you will need to get a new parking pass each day that you will be parking on campus.

**Course registration will be held in the Munnerlyn Atrium in Goergen Hall at the times shown below.**

1. Optical Thin Film Coating Technology:  Monday, June 3, 7:30 – 8:30 am
2. Fundamentals of Optics:  Monday, June 3, 8:00 – 9:00 am
3. Modern Optical Engineering:  Wednesday, June 5, 12:30 – 1:30 pm
4. Opto Mechanical Analysis:  Wednesday, June 5, 12:30 – 1:30 pm
5. Lasers and Optoelectronics:  Monday, June 10, 8:00 – 9:00 am
6. Biomedical Optics:  Wednesday, June 12, 12:30 – 1:30 pm
7. Optical System Design:
   - Part I, Introduction, Monday, June 10, 8:00 – 9:00 am
   - Part II, Advanced Topics, Wednesday, June 12, 12:30 – 1:30 pm

If you have any questions regarding the status of your registration, please contact Gayle Thompson at (585) 275-0056 or gayle@optics.rochester.edu.

**Course Session Information:**

Optical Thin Films Coating Technology classes begin at 8:30 am
Opto Mechanical Analysis classes begin at 8:00 am
All other classes begin at 9:00 am
Afternoon classes begin at 1:30 pm

**Laboratory sessions for Fundamentals of Optics, Modern Optical Engineering and Lasers and Optoelectronics:**

** Sign-up for the laboratory sessions being held in the evening will be during the morning and afternoon breaks.

There will be mid-morning and mid-afternoon refreshment breaks for all courses.

Sincerely,

Gayle Thompson
Summer School Coordinator
